2. ORDER MANAGEMENT and REGULATORY DOCUMENT ACCESS

During the registration process, you will need to choose between two options or both if necessary: Order Management or Regulatory Document

apply for Online Order Management Access

apply for Regulatory Document Access

The INEOS Styrolution Regulatory Document Access site enables you to access to all documents.

2.1 Apply for Online Order Management allows you to:

- Place orders 24/7
- Check order's status
- Check shipping details, Documents like Certificates
- Make a request for creation of a new Ship-to

To have **Order Management Access** you need to choose between one of the following option:

I apply for Online Order Management Access

I am an existing customer and apply for Online Order Management Access

I register as a new customer

The INEOS Styrolution Online Order Management site enables our customers to easily place direct order and track its status. You can also select products from our online shop.

You can browse our wide range of styrenics solutions or find specific products quickly with the INEOS Styrolution product search function – 24 hours a day, seven days a week.

If you are already a customer of INEOS Styrolution but have not yet registered on eShop for Order Management Access then please choose the following option:

I am an existing customer and apply for Online Order Management Access

By choosing this option you will also need to indicate **Your INEOS Styrolution Sales Contact** email address (Sales person or Customer Service) and accept **Terms and Conditions** (as per print screen below the required fields are marked in red)

I am an existing customer and apply for Online Order Management Access
