REGISTRATION

- First, please register to our eShop (Order Management and/or Regulatory Documents access) by accessing our website www.ineos-styrolution.com and click on the **Registration** button:

- Fill in the registration form. Mandatory fields are marked with a * :

A screenshot of the registration form. The form contains several sections. At the top, there are two radio buttons: 'I am an existing customer and apply for Online Order Management Access' (which is selected and highlighted with a red box) and 'I register as a new customer'. Below this is a text input field. A paragraph of text follows: 'The INEOS Styrolution Online Order Management site enables our customers to easily place direct order and track its status. You can also select products from our eShop. You can browse our wide range of styrenics solutions or find specific products quickly with the INEOS Styrolution product search function – 24 hours a day, seven days a week.' Below this is a section titled 'Choose Sales Region*' with three radio buttons: 'Europe, Middle East and Africa (EMEA)' (selected and highlighted with a red box), 'Americas', and 'Asia-Pacific (AP)'. This section is also highlighted with a red box. Below that is a section titled 'Your INEOS Styrolution Sales Contact*' with a text input field. Below the input field is a note: 'You already have a INEOS Styrolution sales contact? Please add the contact's e-mail address.' Below this is a section titled 'Comments or Questions' with a text area. At the bottom, there is a checkbox labeled 'I accept the Terms and Conditions of the respective INEOS Styrolution entity for all orders via this eShop.' which is checked and highlighted with a red box.

MY ESHOP

- Create the order online using one of the four options:

The screenshot displays the 'My eShop' interface with four numbered callouts highlighting different ways to create an order:

- 1**: A 'Create Order' button in the top navigation bar, with a text input field containing 'Please enter INEOS Styrolution Material' and an '+ Add to Cart' button.
- 2**: A radio button labeled 'Customer Material' next to a text input field containing 'Please enter Customer Material' and a green 'Search' button.
- 3**: A menu item 'ORDER MANAGEMENT' in the left sidebar navigation menu.
- 4**: A menu item 'RECOMMENDED ORDER TEMPLATES' in the left sidebar navigation menu, with a sub-section 'PERSONALIZED ORDER TEMPLATES' visible below it.

MY ESHOP

Order Creation Options

Option 1:

Suggested list of material appears after a few characters are entered (Displays up to 30 entries)

Select one material from the list and click on the "**Add to Cart**" button. The cart will be displayed with your selected material.

Option 2:

You can also search by **Customer Material (Name or Number)**

Enter your material number (Name/Number must be provided to the responsible Customer Service Representative up-front), click Search, Select your material and click the "Add to Cart" button. The selected product is now in your cart.

Option 3:

Re-Order from order history. Go to **Order Management**, select previous order, click on

Option 4:

Make use of the **Recommended Order Templates** which are based on the history of eShop orders, Select material and click on Add to Cart.

MY ESHOP
